

Greenwood Project 2020 Volunteer Opportunities

| High School/ College Students or Both | Volunteer Opportunity | Time of Year | Time Commitment | What Would I/We Be Doing | Needed/ Maximum Volunteers- Companies |
|--|---|-----------------------------------|----------------------------|---|---|
| HS | Host Summer Financial Institute Virtual Company Visit | July 13- August 14 | ½ day | Hosting students for a virtual visit to the company—explain what company does, have employees explain their roles and paths | 20-30 firms |
| HS | Give a live or recorded presentation to students in Summer Financial Institute orientation re: hard and soft skills | Week of July 6 | 1-2 hours | Explaining Career Readiness Skills or Finance Industry Skills (e.g., Trading 101) | 12-15 speakers |
| HS | Serve as an advisor to students learning how to code using Python on a Capstone project for a demo day at the conclusion of the program | July 13- Aug 14 | 1.5 hours 2x a week | Advising and coaching students—requires software developers and engineers | 10 advisors (working in teams of 2)—volunteers could split advising responsibilities within a team of 4 if easier for 2 people to take one day a week and other 2 people to take the other day a week |
| C | Create a stipended virtual team project for students (generally 2 weeks) | June 22- July 31 and beyond | Project-dependent | Create a 2-week project for Greenwood interns to complete during the summer and beyond in its virtual internship. A point person would create guidelines for a virtual project that could focus on areas like market research, problem solving, usability requires coordination among advisors studies, data collection, due diligence on M&A targets | No maximum as projects will be needed in Fall and Winter 2020 as well, particularly with many college students losing work-study employment |

| High School/ College Students or Both | Volunteer Opportunity | Time of Year | Time Commitment | What Would I/We Be Doing | Needed/ Maximum Volunteers- Companies |
|--|--|-------------------------|------------------------------------|---|--|
| C | Host Virtual New York City Wall Street Tour | July 20-24 | 90 minutes minimum, can be a ½ day | Leaders from your company host students virtually, discussing the firm, their career paths, hiring process for internships/careers | 5 NYC-based companies |
| HS and C | Host a Women of Wall Street Event (Annual event at Federal Reserve Bank of Chicago has been postponed) | Flexible | 90 minutes minimum, can be a ½ day | Women leaders from your company host students virtually, discussing the firm, their career paths, hiring process for internships/careers | No maximum |
| HS and C | Speak on a Virtual Career Panel | Flexible | One hour | Participate in a virtual networking session with Greenwood students. Panelists give a broad overview of their careers, offer career advice to students and answer student-submitted questions | No maximum |
| C | Mentor students taking Finance Industry Courses and Exams | Summer and beyond | 1 hour a week x 5-6 weeks | Support student in their coursework; check in on them; answer questions | 10 mentors for Summer 2020 and ongoing beyond |

Greenwood is seeking a new fintech partner to provide a platform to help students understand the stock market, trading and portfolio construction through simulations and gaming

For 2021, Greenwood Project will work with coalition partners on their respective internship plans and needs
